Why choose QIBA for English and Surfing?

Unlike any other school in Australia, Queensland International Business Academy (QIBA) is located in the middle of SURFERS' HEAVEN!! Consider these facts:

1. QIBA's private beach balcony for students overlooks **COOLANGATTA BEACH** allowing students to check the waves first.
2. QIBA is directly in front of the **SUPERBANK**.
3. **SNAPPER ROCKS** is a 10 minute walk from QIBA.
4. **DURANBAH** is a 20 minute walk from QIBA.

ASP (Association of Surfing Professionals) is in the SAME BUILDING on Level 2, "Showcase on the Beach", as QIBA (Level 2). This means our students regularly see current and past FAMOUS SURFERS hanging about in restaurants, shops and of course beaches. e.g. Wayne "Rabbit" Bartholomew, Mark "Occy" Occhilupo, Kelly Slater, Joel Parkinson, Mick Fanning. For more details visit www.aspworldtour.com For surfing photos, visit www.waves.com.br

5. QIBA students are permitted to bring their surfboards to college so they can easily surf before and after class.
6. QIBA students on visitor's or working holiday visas can study part-time (16 hours per week) or FULL TIME (20 or 25 hours per week) and surf the rest.
7. All QIBA students who enrol for 8 weeks full time or the equivalent 160 hours English tuition, are given 1 FREE SURFING LESSON by **Elite Surfing Coach "Dave Davidson"**, former professional surfer & Australian surfing team coach. All levels: beginner thru to high level surfing.
8. QIBA often welcomes SURF CHAMPIONS from all over the world, especially Brazil, e.g Adriano de Souza, Thiago Pickler, Claudia Goncalves & Silvana Lima. They enjoy English and Surfing!
9. Come and join students from South America, Europe, Asia and Australia at QIBA to have a FANTASTIC EXPERIENCE.
